Press release

Dale Peterson

Summer Tour 2007 & record release parties

Los Angeles roots rock veteran, Dale Peterson is hitting the road this summer with a brand new release, "Son of Harry" due out early August 2007. Peterson will be bringing his brand of honky tonk; blues and roadhouse rock through the southwestern United States this summer to promote the CD that is sure to be a big hit with roots music fans of all stripes.

This collection of songs is of the highest order in roots music and Dale Peterson has written some of the best songs of his thirty-year career. The CD also features some of Los Angeles' top musicians. People like, John "Juke" Logan, Chris Lawrence, Rick Shea and Dale Daniel just to name a few. Don't miss out on one of 2007's biggest surprises. Dale Peterson - Son of Harry.

And don't miss this American original live on stage. Fire up the hot rod, put on your dancing shoes and join the celebration.

On this trip, Dale is bringing longtime friend, Steph Traino on bass guitar as well as the rock steady drums of Mike Molina (aka "Mr. Fiesta"). Check web site for current tour schedule.
